

The Moorpark Friends of the Library would love your help, your time, or your donation of books or funds.

Our group is actively looking for people to not just become members, but to help grow the MFOTL into a dynamic resource for our community.

Please consider giving us some of your time!

If you can help out in one of the areas below, just mark the box – we will give you a call and see how many hours your are comfortable giving a month. Most of our board members spend less than 4 hours a month. But, those four hours are making a difference.

We need help with:

- Web Page Design
- Web Page Maintenance
- Email establishment
- Fund Raising
- Event Planning
- Event Execution
- Book Sales
- Book Organization

P.O. Box 452
Moorpark, CA 93020

MORE THAN MEMBERSHIP...

Supporting a place to read and learn

Enjoying activities within your community

And knowing your Friendship matters

Who are the Moorpark Friends of the Library (MFOTL)?

We are community members, dads, moms, executives, retirees, your friends, your neighbors.

Here in Moorpark, our library is enjoying a resurgence of interest and participation. In the past, the MFOTL has been able to support the presentation of various childrens and teen programs. We have sponsored annual summer reading clubs and purchased supplies to assist the library staff and we have helped support the purchase of reference materials, publications, special interest collections, and relevant material recommended by the community and the staff of the library.

But, why should I join the MFOTL?

Membership in the Friends of the Library comes with PERKS!

- All members will be given complimentary entrance to our spring event.
- Family membership gives you 12 free books from our book store – 1 per month during your year of membership.
- Patron membership gives you 24 free books from our book store – 2 per month during your year of membership.
- And, as the group grows – the perks that come with membership will grow!

	Individual	Family	Patron
Perk	\$10.00	\$25.00	\$50.00
Entrance to Spring Event	X	X	X
